

Winter Weekend 2018

Illinois South Conference Youth Participant Covenant

All winter weekend participants must read, abide by, and sign this form – turning it in at registration with other required forms.

I will have respect for the purposes and goals of this event.

I will respect the rights/needs of all those attending Winter Weekend.

I will attend all sessions of this event. It is my responsibility to get enough sleep during Winter Weekend to participate fully in each element of the program. I agree to remain in my cabin during afterhours & lights out periods.

I will keep myself OFF the lake ice because of the risks to my own safety and to those who might be called upon to rescue me.

I will be individually responsible for damage I cause to the property of others and will refrain from any damaging or illegal behavior.

I will not consume alcohol or use any tobacco products.

I will not use any mood-altering or illegal drugs or other such substances.

I will wear appropriate clothes and not wear anything that portrays unhealthy activities or attitudes (such as those promoting hate, political candidates, sex, drugs, alcohol, or violence).

I will respect that members of the opposite sex are not allowed in the same room. I will socialize in the lounge area.

I will not engage in excessive displays of affection, as I realize the establishment of an individual community among two individuals hinders their establishment of community with the whole group. I understand that holding hands, hugging and sitting on laps are not excessive DA, but groping, kissing, snuggling and so on ARE excessive DA.

I promise not to bring negative attitudes so that I can have a good time at Winter Weekend.

If I drive to the event I will turn in my car keys at the registration desk. They will be returned to me at the end of the event.

I will respect that the lodge is also a sanctuary and I will not wear a hat (ball cap, stocking cap, etc.) **during worship** in the lodge.

I will be accountable to the adult sponsor(s) accompanying me or to the adult to which I am assigned. I also agree to abide by DuBois Center rules as presented at the beginning of the event.

If I do not live by this covenant, I understand that I may be sent home at my parents' expense.
