

2019 Annual Meeting Pre-Meetings For Local Church Delegates

We are offering a new way of sharing information to prepare delegates and visitors for the 2019 Annual Meeting. Our Conference Minister, Rev. Shana Johnson, will be providing a video to help in this preparation. This video will be made available via email, ISC website, and the Weekly Connection on Monday, September 9. Rev. Johnson will then offer a teleconference, instructions to be included with the video, on Sunday, September 15 at 3:00 pm for follow-up questions and discussion. Please plan to view the video and/or participate in the teleconference.

Topics to be Covered in the Video and follow-up teleconference will include the following:

- **Delegate Orientation**
- **Budget Recommendations for 2020**
- **Resolutions, if any**
- **Moving Illinois South Conference Forward** - there will be some time for listening and discussing the future and purpose of the Conference during the teleconference. All are welcome to help us talk about these questions.
 - What are the conference's strengths and opportunities,
 - What are our challenges, and
 - What keeps us from moving forward.
