

Eden Theological Seminary report for ISC Annual Meeting 2020

Thank you for the opportunity for Eden Seminary to be part of the IL South Conference meeting. Please see the Eden Seminary video (a link can be found on the ISC's Annual Meeting online report page) which highlights Eden Seminary's current story and opportunities to connect. We also are producing several videos each month during this academic year to tell Eden's story through the stories of faculty, students and alumni - #I Am Eden. Each of them will be available at www.eden.edu, on Facebook, Twitter and YouTube. We hope to be invited to preach, teach or offer a mission moment in the local churches of the IL South Conference this year as well. To invite Eden Seminary to your church, Contact Rev. Mary Schaller Blaufuss, Ph.D., Vice President for Institutional Advancement at Eden Theological Seminary at 314-918-2537 office or 314-308-4503 mobile.
