

ISC Pride 2020 Annual Report

We planned for our sixth Rainbow Camp this year, but with Covid-19 and a fallow year declared at DuBois Center, camp was cancelled. We will regroup and have Rainbow Camp in 2021, if conditions allow and it is safe to do so.

Rainbow Camp is needed now more than ever. This camp gives lesbian, gay, bisexual, transgender and queer individuals a place where faith and fellowship meet. It is a truly safe place where everyone is recognized as a child of God, just as they are. Straight allies are welcome, too.

We presently have eight ONA congregations in Illinois South. The Conference has ONA consultants that can help your congregation discuss the Open and Affirming process and other issues related to the LGBTQ community.

ISC Pride was founded in 2010 as an extension of the Justice and Mission Team (formerly known as the Justice and Witness Team). We provide friendship, support and networking in the Illinois South Conference for the lesbian, gay, bisexual, transgender, and queer community, as well as for straight allies who have parents, siblings, children or friends who are LGBTQ. Contact iscpride@iscucc.org if you would like more information.
