

Marion Medical Mission is currently in the middle of 2020's well season and will build 3,000+ wells before the end of the year across 60,000 miles in Malawi, Tanzania and Zambia. For the first time in our 35-year history, we can't send American volunteers to assist in sharing God's love through clean, lifesaving water. While we know that our African staff are fully capable, we seek your prayers and would welcome your financial support, as well. Sign up to receive a daily devotion by email at devotions@mmmwater.org or visit www.mmmwater.org for more information!

Together, we make the impossible possible!
