Today is International Day of Peace. This day is observed around the world as an opportunity to call for nonviolence and to celebrate the work of peacebuilding.

**WAR & PEACE**

Blood is on the hands of men.
What justifies their dying?
They die for freedom, comfort, good
While others sit home crying.

Loneliness breeds bitter hate
To eat the strength within us.
God spares us now to live in faith
And lead us to forgiveness.

Only time can heal the pain
Of war without and war within.
God, shine the light into the dark
And let our peace begin.

UCC "ready and willing" to respond to aid wildfire survivors
In Colfax, Calif., the Graham family of five (left) lost their home to wildfire — and are getting help from their church, First Congregational UCC. In Redding, three hours to the north, evacuees and their pets are staying in UCC and Disciples of Christ church classrooms and basements. These are just two examples of how the United Church of Christ and its partners are responding to this summer’s wildfires. Read the full UCC News story.

United Church of Christ member Jeani Rice-Cranford lives with their wife Sandi on a hilltop overlooking Waverly, Tenn. From that vantage point, they watched in horror as a deadly flash flood raged through the town. They could see people stranded on rooftops and hear cries for help. Soon their hilltop became a place of refuge for 15 or 16 people rescued by helicopter and deposited nearby. Read the full UCC News story.
A few weeks later, Global H.O.P.E. approved a $3,000 grant to the Tennessee Wing Civil Air Patrol for communications equipment essential to initial relief activities in Waverly.

Covenant Service Reflection
On Sunday, September 12 the Service of Covenant for Pastor Tim Harrison at Friedens UCC in Troy was an important day for the church and community. Indeed, it was wonderful to see members come together and prepare for the day, but the best part was the dynamic energy, genuine
excitement, and joyful spirit felt as they celebrated worship together that afternoon. The music left them inspired and the preaching had them laughing at one moment and crying in the next. As the service reached a crescendo, vows were offered and promises made, not only between the pastor and the church; between church and pastor to the United Church of Christ denomination, but also to a sister denomination (the United Methodist Church) and to the broader religious Troy community and beyond, including the Metro East Interfaith Partnership Board members. During the service, the religious, racial, ethnic, and gender leadership and its diversity was visually striking, as these various religious bodies and individuals came together to celebrate common faith and humanity! The promises made were sealed with fellowship together outside in safe spaces as they ate together affirming their bond of love and community! God’s spirit was present and provided a reminder that God is still at work stirring us to answer the call as we seek to meet the needs of the world with God’s help and strength. It was a day filled with gratitude for all who joined them, those that made it possible, and to God who gifted them with these moments. They anxiously await what wonderful possibilities lie ahead for the faithful at Friedens UCC!

On Sunday, Sept 19, an Installation Service was held at St. John UCC in Collinsville for Rev. Jennifer Sowell-Glover as their Pastor and Teacher. There is nothing more beautiful than to experience the joy of seeing someone fully living out their call in a ministry setting among people who are ready to fully embrace the wild, wonderful journey of faith together. The service was a true union of people whose deepest desire is to embody and generously share the wide welcome of God with all people. This is the Church at its best. Thank you Rev. Jennifer Sowell-Glover and St. John UCC in Collinsville for your testimony of what can happen when we listen and respond to the Spirit’s call.

On Monday, October 4, 9:30 am-11:30 am, and Friday, October 22, 8:30 am-10:30 am the University of Illinois Extension has an exciting opportunity for food pantry managers/key volunteers to attend a region-wide virtual focus group to discuss opportunities and challenges at food pantries. All participants will receive a $20 gift card for participating. Reach out to foodpantrystudy@gmail.com or call 217-353-0740 to register before October 1. Here is a flyer for more details.

Copyright Concerns for Ministries - The Insurance Board presents a webinar, Copyright Concerns for Ministries, on September 29 at 1:00 pm CST

During these challenging times, ministries rely heavily on the virtual environment and various electronic mediums to share the printed forms of inspiring poetry, quotes from prayer books and daily affirmations, as well as words from songs during worship and through other forms of ministry. As a result, some ministries have been shocked to discover they are actually in violation of copyright infringement; join us as Heather Kimmell, General Counsel for United Church of Christ, offers valuable information on how to help your ministry avoid this situation. Your Church = Vaccination Site
The Illinois Department of Public Health asks churches to consider being a COVID vaccination site. Click here to find answers for questions that may arise when beginning a conversation with your congregation.
If you are interested, here is the link to start the application. A “Site Coordinator” from the Illinois Department of Public Health will reach out to you within a few days after submission. For more information, you may reach out directly to Pastor Garry S. Mitchell at garry.mitchell@illinois.gov or 708-397-8283.

To date, these churches are either in the process of applying to be a vaccination site or have dates set up for the near future:

- **Grantfork United Church of Christ in Grantfork** - Oct 2, 10 am - 3 pm
- **Highland Evangelical UCC** - September 25 (first shot) and October 16 (second shot & booster shots)
- **Carlinville St. Paul UCC** - Second vaccine will be Mon, Oct 4

Congrats to all of you for reaching out to the masses.

**Global Ministries invites you to join staff and friends as they celebrate communion and worship together virtually on Sept 29, the Wednesday before World Communion Sunday, from 1 pm – 2 pm CST**

The first Sunday of October has become a time when Christians in every culture break bread and pour the cup to remember and affirm Christ as the Head of the Church. On that day, we remember that we are part of the whole body of believers.

Whether shared in a grand cathedral, a mud hut, outside on a hilltop, in a meetinghouse, or in a storefront, Christians celebrate the communion liturgy in as many ways as there are congregations. Have something to eat and drink ready to celebrate communion. It can be whatever you have on hand, not necessarily bread and juice. [Register now!](#)

**Good news for anyone considering benefitting UCC agencies (or others) through a charitable gift annuity or a charitable remainder trust, etc.** The UCC’s United Church Funds has adopted the rates suggested by the American Council on Gift Annuities. This could increase their income through steady and reliable good returns while living, and at the same time benefit not for profits when you die. There are significant Income tax breaks for the donor. Money can be left to other than UCC agencies, as long as at least half of the beneficiaries selected are UCC. Find out more [here](#).

**Hunger Action Committee gives a shout out to all you gardeners!**

Don’t let any of your produce go to waste – share with others. Here is a great recipe from our Illinois South Conference Moderator, Jill Baker.

**Stoplight Peppers**

**Ingredients:** Jalapeno peppers, red and yellow mini peppers, bacon, and cream cheese

**Directions:** Split each pepper lengthwise and clean out the seeds. Use gloves or a plastic bag to handle the jalapenos.

Fill each pepper half with cream cheese, then press the halves back together. Wrap one piece of bacon around each pepper and hold together with a toothpick. Bake at 400 for 30-40 minutes, until the bacon is crispy. Serve in a stoplight pattern for a festive plate.

Walker Leadership Institute and LIFE @ Eden present a Certificate Course: Leadership After 2020 on Fri, Sept 24 from 7 pm - 9 pm CST and Sat, Sept 25 from 9 am - 2 pm CST - How then shall we lead after 2020? 2020 brought disruptions unprecedented and unimagined. The COVID pandemic, a deeper calling to the work of reckoning and reparations after the murder of George Floyd, and new climate degradation and catastrophes. Communities of faith and those who lead these communities face increased challenges and diminished resources. What does this new, ever-changing “new normal” look like, and how can we respond with faith, hope, and love?
We will look at four core areas of disruption:
● changing context
● changing technology
● changing relationships
● changing mission

Participants will use the Disruption Analysis Tool (DAT) to gain insights into what’s next for their community and leadership. Walker Leadership Institute’s founding director, Steve Lawler, MDiv, MBA is the convenor of this LIFE workshop. For information and to register, click here.

Union Presbyterian Seminary in Richmond, Virginia. The live webinar, Death & End of Life Issues, will be held Thurs, Sept 30 at 7:30 pm. Death and end of life of issues affect all of us, and yet we are often reluctant to address them honestly, even in churches. Rather than facing our mortality, we often talk about ways to prolong our days, surgeries that will restore youthful appearances, and how quickly we can “move on” from the loss of a loved one. This webinar will address this topic openly by bringing together five experts known for their pastoral and theological insights, covering such matters as responding to a loved one with dementia, conducting a funeral, the content of Scripture on death, pastoral care with those who are dying and their families, and how to deal with the decline of a beloved family member. There will be time for audience interchange with the panelists. The event is FREE, yet attendees must register.
