

# IL South Conference Clothing Resource Directory

## Purpose

To equip churches and pastors with accessible information on clothing resources—both regional and local—throughout IL South Conference. This directory reflects the Mission Committee’s shared commitment to respond to the priorities identified in our survey of all the churches earlier this year.

## Note

*(Service availability may change due to funding and/or volunteer capacity. **Please call the agencies directly to confirm current services before sending someone in need.** We have endeavored to provide accurate information; but, we have not directly contacted all specific entities.)*

## How To Use

The beginning section identifies resources that serve almost all communities in IL South. If your specific community or nearby communities do not have services, a person in need of clothing may find clothing through the resources identified at the beginning of this directory.

The second part of this directory alphabetically lists every community where a UCC church is located. If there are no nearby clothing resources, pastors should search the services at the beginning of the directory which serve broad geographic areas.

# Services Covering Broad Geographic Areas

*These resources are not limited to specific towns and may serve individuals across Southern Illinois and neighboring regions.*

## Phone & Internet-Based Resources

### Dial “211”

A free, United Way-funded referral service available throughout Illinois and surrounding states. Call to speak with a trained specialist familiar with a wide range of services including clothing assistance in your ZIP code or in the closest resource to you.

### Findhelp.org

A national online directory offering access to clothing and other resources. Includes specialized listings for cancer patients, transgender and non-binary individuals (e.g., chest compression garments), premie clothing, and other special populations.

### Facebook & Community Platforms

Local groups and pages often post clothing giveaways and emergency resources. Search by town or region.

### Community Action Agencies (CAC)

CACs provide numerous social services and serve as information hubs. The entire state is covered. Use the following link to find the one you need - <https://www.iacaanet.org/>

### Search Engines & Chambers of Commerce

These can help identify thrift stores, clothing banks, and seasonal programs not listed in formal directories.
