ISC W.I.S.E. Team Message

Dear Clergy of Illinois South,

Grace and peace to you.

At our December WISE Team meeting, we reflected on the importance of community in sustaining clergy wellbeing. We were reminded that learning together can be a source of renewal, encouragement, and strength amid the many demands of ministry.

One of our team members, Angela Nolan, has connected with a mental health professional who is interested in partnering with the conference to offer supportive learning opportunities for clergy. As we discern what offerings would be most helpful, we would greatly value your input.

We invite you to prayerfully consider which practices or skills might bring you support or relief at this time. These could include areas such as organization, vision casting, team building, conflict resolution, re-centering, de-escalation, leadership, or other needs you are currently experiencing.

Please share your thoughts by **Friday, January 30**, by emailing Angela Nolan at anolan@eden.edu.

Your feedback will help guide our efforts as we seek to care for one another and strengthen our shared ministry.

With gratitude for your faithfulness and care,

Blessings,
The ISC WISE Team

STRONGER TOGETHER

All who believed were together and had all things in common

-Acts 2:44

Drawing inspiration from Acts 2, this year's Day of Discipleship serves as a profound reminder that, as disciples of faith, we are Stronger Together through sharing our distinctive talents, worshiping collectively, engaging in prayer and fellowship, song and Word. Workshop offerings will encompass a variety of areas, including worship, programming, leadership, and outreach. This shared journey in faith and community illustrates the remarkable power of unity and underscores how each of us contributes to uplift the Church.

Saturday, March 21, 2026 - St. John UCC, Mascoutah
Registration opening February 1st

Meet our Day of Discipleship Keynote Speaker - Rev. Dr. Jeff Moore

An ordained United Church of Christ Minister with partner status in the Christian Church (Disciples of Christ), Jeff has been pastor of Webster Groves Christian Church (Disciples of Christ) since March of 2008. Jeff has a Bachelor of Science in Outdoor Leadership from Aurora University, Master of Divinity and Doctor of Ministry degrees from Eden Theological Seminary, and a PhD from the University of KwaZulu-Natal in South Africa. His Doctor of Ministry work focused on the question of "Christian Connectedness," and explored this from biblical and liberation standpoints in conversation with the poetry of Guatemalan poet and theologian, Julia Esquivel. Jeff's PhD dissertation focused on Theological Education in the Lesotho Evangelical Church as it relates to the church's vision and commitment to "abundant life" (John 10:10), and presents a descriptive study following a three-year program of ethnographic and theological research in Lesotho, southern Africa.

Jeff has served UCC congregations in Mascoutah, Illinois, Darmstadt and Biddleborn, Illinois, and Pana and Dollville, Illinois. He has served as Director of Outdoor Ministries in the Rocky Mountain Conference, UCC, and from 2003-2007 served, along with his spouse, Susan, as a Common Global Ministries Missionary in Lesotho. While in Lesotho Jeff taught at Morija Theological Seminary and the National University of Lesotho; served as the HIV and AIDS Coordinator for the Lesotho Evangelical Church; and served as Interim Pastor for Maseru United Church – an international, nondenominational congregation. Upon his return to the United States, Jeff lived and taught on campus at Eden Theological Seminary, where he was Missionary in Residence during the 2007-2008 academic year. Jeff has continued to teach Biblical Studies and Ministry Studies courses as an adjunct to the Eden faculty, and teaches Biblical Studies and Theology courses as an adjunct to the Saint Louis University faculty.

His research interests include the book of Revelation, International Contextual Biblical Interpretation, and the works of J.R.R. Tolkien. Jeff has taught and presented in these areas in over a dozen countries on five continents.

In addition to his pastorate at Webster Groves Christian Church, Jeff served as part-time Interim Minister at Memorial Boulevard Christian Church (Disciples of Christ) from 2020 to 2022, and he serves as Chaplain for Doorways, a housing and healthcare agency for people living with HIV & AIDS.

He enjoys reading, the outdoors, and riding his motorcycles whenever he can.

Jeff and Susan have three adult children – Abigail, Daniel, and Khotso.

New Health and Human Service Sunday Resources Focus on Good News Expressed in the Ordinary

January 13, 2026 | [Barb Powell](#)

The UCC [Council for Health and Human Service Ministries](#) (CHHSM) recently released resources for [Health and Human Service Sunday](#), which takes place Jan. 25, 2026, the Third Sunday after Epiphany. The resources help UCC churches, CHHSM members, and friends bring the message of serving leadership and support for all health and human service workers to their local congregations and worship services.

This year's resources are based on the day's scriptures: Isaiah 9:1-14; Psalm 27:1; 1Cor. 1:10-18; and Mt 4:12-23. They include liturgical elements and prayers, as well as an optional meditation in the worship materials. Especially now, it is worth remembering that the word liturgy means "work of the people." This special Sunday is a way to celebrate the healing work of not only CHHSM member agencies, but all of those on the frontlines of health and human services in our UCC and partner congregations.

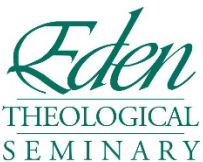

The Amazing People of the Illinois South Conference

They were donated to Mom's on a Mission in Dupo. This is an annual event for St John that all ages enjoy!

Blessing Box Upgrade

Stop by the **NEW** blessing box to help us keep it full! Donate directly into the Blessing Box or add to the cupboard in the conference room.

The Hunger Action Team would like to recognize Zion UCC, Marion for their new Community "Blessing Box"

As the needs of their community are growing, Zion's Mission Team decided that they need a larger "Blessing Box". Plans were made to relocate it to the edge of the Church's East parking lot off Cherry Street, to make it safer for filling and to lower the box so it is easier to access from a wheelchair. In December, those plan were realized when the new "Blessing Box" was designed, built and installed by the Marion High School Building Trades Class. Thank you to Lester James and his high school class for their work and to Grayson Gile for preparing the space where the box was installed. Zion members are invited to donate nonperishable food, hygiene

products, and warm clothing. Heartfelt thanks to Zion for serving others, as stewards of God's Grace under the leadership of pastor and teacher, Rev. John Holst.

Deaconess Foundation Invests \$450,000 in Innovative Community-Stewarded Funds January 13, 2026 | [CHHSM-Member Ministry Contribution](#) As part of Deaconess Foundation's strategic approach to advancing liberation in seven generations, it recently invested \$450,000 in two innovative community-stewarded funds: NextGen Grantmakers and the Seniors Community Revitalization and Development Fund (Seniors Community Fund). Both initiatives put funding decisions into the hands of the people—in this case, young people and older adults—who are part of the generations for which they are providing solutions.

NextGen Grantmakers is a transformative, youth-stewarded fund, launched in partnership by Vision for Children at Risk (VCR) and Deaconess Foundation, that places funding decisions in the hands of young changemakers. \$100,000 in grant funds was awarded to five organizations that fall within NextGen Grantmakers' priority areas. The funding was awarded to:

- Gentle Men of Vision
- DePaul USA
- Dream Builders 4 Equity
- Hope Creates
- Opportunity House

The Seniors Community Fund is a community-led fund that was launched in partnership by the Community Health Commission of Missouri (CHCM) and Deaconess Foundation, which is based in St. Louis. It is led by a Senior Advisory Board, composed of adults 55 years and older, who selected a group of 14 grant recipients that operate in areas including safety, transportation, and health navigation support. The grant recipients include:

- Lessie Bates Davis Neighborhood House
- Mission: St. Louis
- Rebuilding Together Saint Louis
- Hitz Memorial Home
- Ignite Hope's Wheels of Connection
- Mercy Hospital St. Louis Senior Transportation Assistance
- St. Louis Society for the Blind and Visually Impaired
- Rx Outreach
- Vitendo 4 Africa
- Housing Provided for the Elderly, Inc (HOPE)
- Claudie's Urban Community Gardens
- Criminal Justice Ministry
- Guardian Angel Settlement Association
- St. Louis Health Equipment Lending Program (STLHELP)

Dear Friends and Supporters of Uni Pres Kindercottage,

Thank you for your generous holiday giving and for joining us at our Holiday Program held at Good Shepherd UCC. Your presence, encouragement, and continued support made this season truly special for our children and families.

We are also deeply grateful for the Winter Family Engagement activities sponsored by PBS Channel 9. Families enjoyed creating winter-themed art projects and received two beautiful books about winter, helping to spark both creativity and a love of reading at home. The visit from Santa Claus brought so much joy, with families taking photos, sharing laughter, and creating lasting memories together.

It was truly a packed house as each family enjoyed watching their child sing, dance, and share holiday sentiments through poems and conversations with Santa. The energy in the room reflected the warmth, hope, and togetherness that this season represents.

A special thank you to our dedicated Board members who came out to help serve snack packs to families. Your hands-on support and commitment to our mission continues to strengthen the work we do every day.

On behalf of the children, families, and staff of Uni Pres Kindercottage, thank you for helping make

this holiday season bright, meaningful, and full of love.
With gratitude,
