STRONGER TOGETHER

All who believed were together and had all things in common -Acts 2:44

Drawing inspiration from Acts 2, this year's Day of Discipleship serves as a profound reminder that, as disciples of faith, we are Stronger Together through sharing our distinctive talents, worshiping collectively, engaging in prayer and fellowship, song and Word. Workshop offerings will encompass a variety of areas, including worship, programming, leadership, and outreach. This shared journey in faith and community illustrates the remarkable power of unity and underscores how each of us contributes to uplift the Church.

Dear Illinois South Conference Members,

The Justice and Mission Team has developed a resource to support local churches in creating ministries and mission efforts that serve individuals incarcerated in your community.

This resource includes guidance for churches interested in volunteering or visiting correctional facilities, as well as information on the most-needed items to donate. Additionally, the final page contains a map of prisons throughout southern Illinois to help your church identify facilities located near you.

We encourage you to download this resource and share it with your mission committee. [Prison-Ministry-Resources-with-ISC-IDOC-Map.pdf](#)

Thank you for your continued commitment to living out Jesus' call in Matthew 25:35-36. *"For I was hungry and you gave me something to eat, I was thirsty, and you gave me something to drink, I was a stranger, and you invited me in, I needed clothes, and you clothed me, I was sick, and you looked after me, I was in prison, and you came to visit me."*

Blessings,
The ISC Justice and Mission Team

UCC remembers three pillars of faith and justice

 Nestled in the pages of the Pilgrim Hymnal is a song praising the saints of God who “toiled and fought and lived and died for the Lord they loved and knew.”

VOICES OF THE JOURNEY

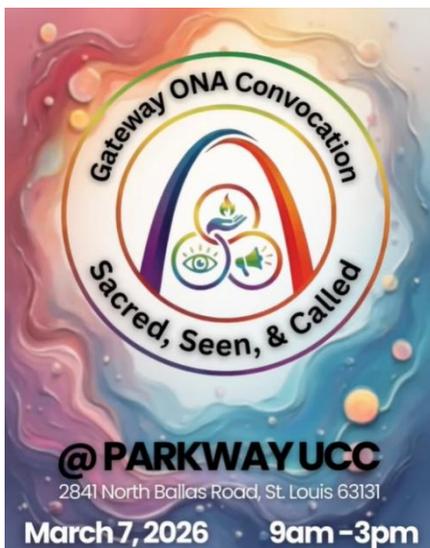

A Crisis of Hope
 by [Shari Prestemon](#) | published on Feb 23, 2026
 It was the most striking, and most sobering, part of our visits with partners in Palestine last month. The undeniable decay of hope. The honest telling of the despair that was slowly taking hold.

“I am 67 years old. I used to have hope. Now I have lost hope.”

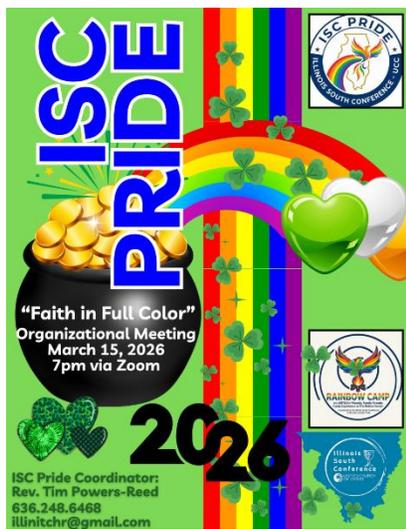

“Sometimes we abuse the word ‘hope’. Naïve hope –just saying ‘hope’ without giving people the tools [to live]– actually does harm.”

“I have hope. With difficulty.”
