Workshop Invitation: Christian Nationalism and the Gospel

Dear ISC Clergy,

The Justice and Mission Team has created a unique opportunity for us to gather as colleagues for a timely and important workshop exploring how the principles of Christian Nationalism often stand in direct contradiction to the core teachings and witness of Jesus Christ.

Our presenter, Rev. Hannah Kardon, a United Methodist pastor with roots in the United Church of Christ, will offer valuable insights into how churches can clearly distinguish themselves from messages of hate and exclusion that are driving many people away from the church, and instead embody the welcoming love and transformative message of Jesus found in the Gospels.

This free workshop will be held on **Monday, August 10, from 4:00–5:30 p.m. via Zoom**. I encourage you to join us for what promises to be an engaging time of learning, conversation, and reflection that will strengthen and enrich your ministry.

To register and receive the Zoom link, please email Debbie Kesner at dkesner@iscucc.org. If you have questions or would like additional information, please feel free to contact me directly at sjohnson@iscucc.org.

I hope you will join us, and I look forward to seeing you online on Monday, August 10.

"On June 24, 2026, two powerful earthquakes struck northwest Venezuela. More than 4,300 people have died, nearly 17,000 have been injured and almost 18,000 families have lost their homes.

CWS is supporting local partners and prioritizing the most vulnerable families and communities. Together, we are equipping volunteer engineers to assess the safety of homes and public buildings, supporting local churches and organizations caring for survivors and accompanying communities as they rebuild and recover.

Recovery from a disaster of this magnitude will take years. CWS is committed to supporting Venezuelan communities long after headlines fade."

St. Peter's UCC Red Bud CWS Hygiene Kit Collection

We wish to thank St. Peter's UCC in Red Bud for the way they have responded in organizing an event to put together Church World Service Hygiene Kits this fall. They saw the information about the need to replenish Disaster Kits and Clean-Up Buckets used to help those affected by the many natural disasters happening all around us.

They are collecting supplies in August and September and hope to assemble at least 200 kits by the first week in October. When finished, they will take the kits to the October 10th CWS pick-up at LifeWise (See above). THANK YOU to St. Peter's for your contributions and service to help our "neighbors" in their time of need. It's not too late for your group or organization to also respond to this need.

2026 Stewardship / Generosity Materials

Coordinated stewardship materials for your congregation's annual stewardship efforts with the same robust content you've come to expect in an easier-to-navigate format.

There Our Hearts Will Be invites congregations into a season of deep spiritual alignment—an honest, hopeful exploration of how our practices, priorities, and resources reveal what truly claims our hearts. Rooted in Jesus' teaching from Matthew 6, this theme reframes stewardship not as performance or obligation, but as the quiet, courageous work of placing everything we have in God's care. The materials include:

- Campaign guidance for every step of a year-round or seasonal effort.
- Eight scripture-based sermon reflections and worship liturgies written by trusted theologians and church leaders.
- Eight corresponding Bible studies for small group use.
- Branding kit including logos, pledge cards, posters, bulletin inserts, and letters (including Canva templates for many of these materials).

Fostering Vitality: Liturgical Resources for a Faithful & Vital Church Thursday, August 6, 2:30 PM CST

You may have noticed a special after Pentecost sermon series titled: Faithful and Vital. Inspired by conversations with local church leaders, Minister for Worship and Theology, Rev. Dr. Cheryl Lindsay began the process to create worship resources inviting us to remember who we are and who we could be through the framework of the Marks of Faithful and Vital Local Churches from the United Church of Christ Manual on Local Church. Join us for an engaging conversation to learn more about how this project came together, what the spirit behind the

messages are and how these liturgical resources can support engaging faith-rooted dialogue within your own local church setting around the Manual on Local Church's Marks for Faithful and Vital Churches. [Register here.](#)

Episode 2 of The Good Neighbor Podcast is Now Available!

Host David Giron takes listeners inside Argentina's prison and refugee systems, exposing the human cost of overcrowded prisons, punitive justice policies, and the challenges faced by migrants and their families. The episode highlights both the harsh realities of incarceration—including abuse, neglect, and inhumane conditions—and the inspiring work of grassroots organizations like Global Ministries' partner ACIFAD that support families and advocate for human rights. More than an exploration of Argentina's justice system, this episode is a call for people of faith to stand for dignity, compassion, and justice in the face of systemic injustice. ISC Hunger Action Team - Facing Hunger in Your Community

The Hunger Action Team would like to recognize ST. JOHN UCC, MASCOUTAH for their ongoing support of local families in need. Church members were invited to donate non perishable food and cash donations for their free summer lunch program. This mission project is more important than ever for students who qualify for free school breakfast and lunch. They don't have access to these meals during summer break. Reminder: Kids need the proper nutrition for their learning, development, and growth. Heartfelt thanks to St. John, serving others as stewards of God's Grace - under the leadership of pastor and teacher, Rev. Cherie Hambleton.

Dear God,

As the students of the Illinois South Conference and beyond embark on a new school year, we seek your blessings upon each one of them. Instill in them a sense of curiosity, courage, and kindness. Safeguard them during their journeys to and from school. Provide guidance to their teachers, school staff, friends, and families as they support these young learners on their paths. May their backpacks symbolize that they possess all they need to learn and flourish this year, and may Your love and wisdom accompany them every step of the way. Amen.

RISE: Break of Day Retreat

ISC Winter Youth Event

Save the Date!

January 15 - 17th, 2027

All youth in 6th - 12th grades are invited to attend this ISC youth event at our camp, DuBois Center (2651 Quarry Rd., DuBois, IL.)

The night is over. The horizon is waiting. There is a universal magic in the sunrise—that specific moment when the darkness finally pulls back, the air clears, and suddenly, everything feels possible again. In January, we'll be heading into the woods to experience that reset for ourselves.

RISE: Break of Day is about stripping away the noise of everyday life to find some much-needed clarity. Whether you're a middle schooler navigating who you are or a high schooler looking at what's next, the sunrise meets you exactly where you are.

If inclement weather causes us to postpone this event, it will be held on February 13th -15th
